Seventh Call for the Selection of APEC Engineers

Second Stage Evaluation – Presentation of Engineering Project Report and Personal Interview

November 24, 2025

	Name	CIP Register	Major	University	Interview Hour
1	Joe Alberto MUÑOZ FLORES	53134	Sanitary Engineering	National University of Engineering	09:00 – 09:30
2	Cesar Ying FABIAN JANAMPA	164019	Sanitary Engineering	National University of Engineering	09:30 – 10:00
3	Edwin MONZON CUYA	81715	Civil Engineering	Pontifical Catholic University of Peru	10:00 – 10:30
4	Erika Pamela Isabel VALLE BENITES	193672	Civil Engineering	National University of Engineering	10:30 – 11:00
5	Herminio NIETO MELGAREJO	76501	Civil Engineering	National University of Engineering	11:00 – 11:30
6	Manlio Aparicio SANTILLAN ILLESCA	44509	Civil Engineering	National University of Engineering	11:30 – 12:00
7	Manuel Arturo VIDAL LOLI	178734	Mining Engineering	Pontifical Catholic University of Peru	15:00 – 15:30
8	Walter Orson LAZO PAZCE	182439	Mechatronics Engineering	Pontifical Catholic University of Peru	15:30 – 16:00
9	Yasmin QUISPE CCAMA	137749	Industrial Hygiene and Safety Engineering	National University of Engineering	16:00 – 16:30

Submission of Engineering Project Report

1. Submission of an engineering project report the candidate has played an important role.
2. The report is in English and contains:
 - Project title
 - Abstract (between 800 and 1000 words) describing the project and the main contributions of the candidate.
 - Power-Point (between 20 and 25 slides) focusing on the engineering contribution of the candidate.

The Power-Point must describe the engineering work using engineering language and symbology: diagrams, planes, curves, equations, engineering norms and standards, regulations, safety considerations, etc.

Include all information deemed relevant to evaluate the engineering work.
3. Payment of 1,000 Peruvian soles corresponding to the second stage of the evaluation process. The payment should be made through the same platforms as the those used in the first stage payment. See the website:
<https://apecengineerperu.cip.org.pe/>
4. Deadline for report submission and payment: November 20, 24:00 hours.
5. Send the project report to the email: apecengineer@cip.org.pe
6. Send the payment voucher to the following emails:
apecengineer@cip.org.pe eventoscip1@cip.org.pe
7. The report will be reviewed by the jury prior to the interview.

Project Presentation and Personal Interview

1. ZOOM platform. To be informed days before the interview.
2. Enter only into the assigned session.
3. Two-minutes personal introduction: name, major, academic degrees, job positions at companies, relevant experience.
4. Project presentation in English: 15 minutes
5. Jury questions regarding engineering project report.
6. Jury questions regarding personal and professional trajectory, and continuous professional development.
7. Questions could be in English or Spanish.
8. Punctual start of presentation and interview.
9. The results of the second stage will be presented to the APEC Engineering Monitoring Committee for final evaluation.
